Brand New Book ***** Print on Demand *****.Excerpt from On the Cure of the Morphia Habit My chief object in writing the following pages has been to compile a guide for the use of my own patients: so as to give them an idea of what is required to escape from the thralldom of morphia. Those who have never before attempted, and failed, to wean themselves from the fatal stimulant, will perhaps think the conditions laid down tiresomely and disagreeably exacting, clashing and interfering, as they do, with all their habits and impulses. There are some, however, who have hitherto been unsuccessful only for want of proper direction, but whose constant hope by day, and dream by night, is to recover their liberty.
