A loving couple s sex life begins to dwindle and the woman introduces lingerie for her man to wear, sparking their sex life once more. She thinks if a little is good and makes him happy then a lot is better, and the hot wife buys the book, Feminizing Men - A Guide for Males to Achieve Maximum Feminization, by Barbara Deloto and Thomas Newgen. Enter a new world. The feminized husband feminizes himself for his wife as a favor to her for a week long stay-cation and they follow the guide and develop his feminine aspects. Quickly, even though he still is sure he will become a man again after the stay-cation, he looks at life very differently. In less than a week, the feminization turns their lives into something most would never reach. Cuckolding, sex toys, a transvestite-crossdressing husband, an incredible sex life for the wife and a sissy catering to everyone s needs. The hot wife s life is enhanced by the efforts of her feminized husband in ways she could only fantasize about previously. Her ex-male, now in a male chastity cage, finds ways to satisfy the woman he loves and gives his hot wife gifts she never would have imagined. What would happen if a loving couple decided to feminize the male? Would the feminized man no longer be a man? After a few short days crossdressing as a woman, and being feminized, would he be able to turn back time and become a man again, or would he become addicted to the alluring aspects of being feminized, giving him new sensations, intriguing challenges, and womanly desires...
