## Britain's Coastline

By Monahan, Jerome.

Myriad Books. 1 Cloth(s), 2007. hard. Book Condition: New. In hundreds of vivid photos this album tours the endlessly varied coastline of Great Britain, from the dockyards of the southeast through the rural tranquility of Dorset and the rugged coves of Cornwall, the marshes and beaches of Essex, the craggy grandeur of Yorkshire, the castles of Northumberland, the cliffs and promontories of Scotland and its islands, and the verdant scenery of Ireland's Antrim Coast Road. Many of these photos are saturated with color the golden rays of sunset bathing a cliff, the brightly painted buildings of a picturesque fishing town, or the motley swim gear and folding chairs of holiday beachgoers while others capture the soft hues of misty shores and windswept coast. 128.
